42' AURORIS

42' Length - 11'11" Beam - 2,500 HP

cigaretteracing.com

The Auroris embraces over 50 years of performance boat building experience with the incorporation of Cigarette's advanced-engineered twin-step hull design. This proprietary hull design provides extraordinary agility, industry-leading efficiency, and unparalleled comfort. A broader beam with an all carbon-fiber hardtop design further improves handling, while the intelligent use of composite materials and proprietary construction techniques improve vibration, dampening, and structural integrity for enhanced comfort in even the most compromised conditions. The Auroris proves that all is possible, this luxurious center console is athletic, comfortable, feature rich, beautiful and powerful.

HEADS: 1

FUEL TYPE: Gas

FUEL CAPACITY: 470 Gal.

FRESH WATER TANK: 25 Gal.

Engine Details —

- 4X Mercury 400R V10s
- 4X Mercury 500Rs
- 5X Mercury 400R V10s
- 5X Mercury 500Rs

Advanced Helm —

The Auroris advanced helm features three 17" Garmin multifunctional displays flush mounted to a state-of-the-art dash assembly milled from a solid block of aluminum that is anodized and hard coated for durability. It includes integrated cup holders, glovebox compartments, stainless steel grab bars and ergonomic CNC machined footrests provide the convenience and comfort that is synonymous with Cigarette.

Digital Switching and Automation —

Our fully engineered and thoughtfully designed digital switching system allows you to control almost any function of the 42' Auroris directly from the Garmin multifunctional displays. An automatic sequential engine system activates all engines with a simple press of a button.

Optional Adjustable Helm Seating —

The ergonomic helm seating is constructed with multi-density foam for comfort both at dock and underway. Each of the three electric forward helm seats are independently adjustable, allowing for comfort to a myriad of different heights. Additionally, the seat bottoms can flip up to convert the standard seating into bolsters.

Lighting Without Limits —

Enjoy full-spectrum RGB zoned lighting - all controlled from the Garmin multifunctional displays. A digitally controlled RGB ambient lighting system powers LED lighting through the deck with near infinite color variations. This technology extends seamlessly into an underwater RGB system with full spectrum control to create the perfect ambiance for a night out on the water. High powered LED down lights in the hardtop, along with red captain's lighting that provides general and night task lighting.

JL Audio x Cigarette Racing —

For the finest marine sound systems, Cigarette relies on the leader in the industry, JL Audio Marine. Their products meet Cigarette's pressing demand for audiophile quality systems that can withstand the rigors of the wind, sea and open cockpits. These sound systems are tested on each model to ensure they are appropriate for the boat size and seating configuration in order to provide a pleasing Cigarette Racing experience.

Garmin x Cigarette Racing

When two iconic brands collaborate, the result is rather exciting! As the first manufacturer to be Garmin-Certified, Cigarette has proudly partnered with Garmin to feature state-of-the-art technology and design to give our owners the most ergonomic and intuitive resources to make a day on the water easy, fun and safe.

The optional Garmin Convenience package places a 9" multifunctional display at the aft conversational area and bow section for additional control points of digital switching, media, and navigation. No need to get up, just tap the screen!

Carbon Fiber Hardtop

Our exclusive hardtop was skillfully engineered to provide a lower center of gravity to improve performance and comfort without compromising a beautiful design aesthetic. The four-pillar, all carbon-fiber hardtop features a wide, double-curvature, frameless clear-laminated safety glass windscreens offering exceptional wind protection. It includes integrated flood lights, boarding handrails, full-spectrum ambient lighting, as well as optional windshield wiper with a cleaning system, and electrically actuated sunshade round out this innovative hard top with luxury.

Sunshade

The Auroris' hardtop offers an optional electrically actuated sunshade. At the press of a button, the shade will cover the aft entertainment area. All done and ready to get underway? Simply press the "shade in" button on your Garmin display and it will retract into the hardtop.

Comfort & Layout

All new upholstery introduces multi-layered foams coupled with high detailed quilted patterns using Cigarette "Cool Touch" Fabric, a heat-resistant fabric for a premium comfortable feel. Powered forward helm seats are independently adjustable and quickly convert from standard seating to standing bolsters for convenience and drive comfort in all conditions. And for your guests, aft forward and rear facing seats electronically extend to form an oversized sun lounge for the ultimate mix of comfort and style.

Cabin Overview

The Auroris features a spacious cabin with CNC cut cabinets and Corian countertops. Multi-color lighting allows the choice of normal daylight or ambient mood lighting. You may share a meal amongst friends and loved ones using the oversized U-shaped seating and table. As well as enjoying a nap by simply putting the table down to bed height and placing the cushion top.
