Deck Layout

The 52' Thunder is dedicated to elegance on-board and unequalled comfort. Guests may go for a swim through the dive door, grab a drink from the aft summer kitchen or relax under the skylights beneath the hardtop. The 52' Thunder is the ideal center console for endless entertainment and luxurious day boating. It is next level comfort.

Advanced Engineering ———

The Thunder embraces over 55 years of performance boat building experience and advanced computational fluid dynamics with the incorporation of Cigarette Racing's advanced-engineered twin-step hull design and it is uniquely handcrafted in the USA. The proprietary hull design provides extraordinary performance, industry-leading efficiency and unparalleled comfort.

Carbon-Fiber Hardtop ———

The four-pillar hardtop was skillfully engineered to provide a lower center of gravity in order to improve performance, yet not compromise comfort or aesthetics. This all carbon-fiber hardtop features double curvature, a frameless clear-laminated safety glass for wind protection, integrated flood lights, boarding handrails, ambient lighting, and a telescopic sun shade.

State-of-the-Art-Helm ———

The Thunder's advanced helm features dual, flush-mounted, 24" Garmin multifunction displays mounted on a nano-coated instrument panel that is heat, reflection, and fingerprint resistant. All guests will be able to enjoy the navigation details, and feel the all-powerful performance of the 52' Thunder due to the multiple Garmin displays throughout the vessel. Additionally, the helm includes integrated cup and phone holders, stainless steel grab bars, and a side electric sliding door. All of these combine to skillfully provide the convenience and comfort that is synonymous with Cigarette Racing.

Digital Switching ———

The meticulously designed digital system permits the owner to control almost any function of the 52' Thunder with ease. It allows simplistic controls such as sequentially starting all six engines with the push of a button. The Garmin Convenience Package also distributes three additional displays throughout the Thunder, one is always a touch of a button away.

Seven Forward Facing Seats ———

There are seven plush forward-facing seats that rest behind the helm. The helm and co-driver seats are shifted forward for extra visibility, while the second-row of seating is staggered from the first row to allow second-row passengers great forward visibility. Plus, all seating may shift up or down with a touch of a button! Find your comfort zone and enjoy the ride.

Aft Lounge Entertainment Area ———

Cigarette Racing elevates excellence to new heights! A luxury day boat, such as the 52' Thunder, requires an ample entertainment area. Enjoy a serene afternoon by laying on the aft sun lounge under the telescopic sun shade for ultimate comfort. Or indulge in a delectable meal on the hydraulic table surrounded by your guests. It is the ultimate mix of comfort and style.

Summer Kitchen ———

Grab a bite or some refreshments from the 8' wide multi-purpose summer kitchen. It features a full-width lid with integrated lighting, a nano-coated anti-bacterial countertop with a plancha grill, a sink, along with an abundance of storage.

Advanced Materials & Processes ———

The Thunder incorporates advanced materials and processing methods to enhance the ride, performance and handling, while elegantly dampening noise, vibration and harshness properties. A broad beam width, a carbon-fiber inner lining within the hull, and an all carbon-fiber hardtop design further improves handling. While the intelligent use of composite materials and proprietary construction techniques improve structural integrity for enhanced comfort in even the most compromised conditions.

JL Audio X Cigarette Racing

For the finest marine sound systems, Cigarette relies on the leader of the industry, JL Audio Marine. Their products meet Cigarette's pressing demand for audiophile quality that can withstand the rigors of the wind, sea and open cockpits. These sound systems are tested on each model to ensure they are appropriate for the boat size and seating configuration in order to provide a pleasing Cigarette Racing experience.

Lighting Without Limits

All RGB ambient lighting can be digitally controlled through the multi-functional Garmin displays. It powers LED lighting throughout the deck with infinite color variations. This technology extends seamlessly into an underwater RGB system to create the perfect ambiance for a night out on the water. Along with high powered LED down lights in the hardtop and red captain's lighting.

Cabin

The cabin is the perfect retreat from the sun, it is fully upholstered in premium bovine leather from world-famous Italian leadership, Poltrona Frau. It includes a full sized bed, an enclosed head, a fridge with plenty of storage space, hull side windows with an electric privacy glass, a custom sofa, and air conditioning to keep those hot days cool and comfortable.

Paint

The Cigarette World Famous Paint is essential and there are endless possibilities. Create a unique Thunder that reflects your own identity.
